## DESCRIPTION

Fabricated from prepainted cold rolled steel, the Series 229H is ideal for a variety of industrial lighting needs. A unique hinged ballast cover provides easy access to internal wiring and ballast for installation or service without the need to remove lamps. The Series 229H uses a 5 Ft. 3-wire whip which reduces installation time by not having to open the fixture. Available in T12, T8, T8HO, or T5HO lamps.

## SPECIFICATIONS

- LISTINGS:** UL1598 
- FEATURES:** Heavy Duty open industrial fixture.  
Hinged ballast plate allows for the fixture to be lamped prior to installation.  
Sturdy 20-gauge steel with durable prepainted white enamel finish.
- ELECTRICAL:** Utilizes 32, 40, 44, and 54 Watt 4' lamps.  
Available in Universal, 120, 277 and 347 Volt electronic ballasts.  
(Other voltages available, consult factory)
- APPLICATIONS:** General Lighting
